WORK EXPERIENCE

2015 -

Intervisio
I write game reviews for the Tilt.fi website and TV programme.

2013 - 2014

Tribe Studios
My responsibilities included graphic production (2D and 3D), game testing, web development, customer service, community management, as well as assisting in office routines.

2010 - 2013

Dodreams
My main responsibilities were customer service, community relations, and web development. I was also involved in content production, testing, and game design.

VOLUNTEER EXPERIENCE

2014 - 2016

Nörttityöt

I was responsible for editing and coordinating articles in the Games category.

2014 - 2016

IGDA Finland

I coordinated and/or produced all the communications and content for monthly events: invites, articles, graphics, and photography.
